

## Archery Building New Addition

The Kendall Construction Company of Cadillac is the contractor of a new wing which is being added to the Bear Archery Club building.

The new building and steel construction is 50 ft. by 100 ft. The new wing will extend from the rear of the present building toward the rear forming an L-shaped structure.

Costing approximately \$30,000, the additional floor area will permit better arrangement of the club's manufacturing operations, as well as additional office space, and increasing sales as a result of a nationwide growth of interest in the sport of archery.

Now hunting have caused crowded conditions within the old plant. The new building has been planned to relieve this situation, providing better efficiency as well as a pleasant working condition.

An especially important feature will be the control of atmospheric humidity in the new portion of the building, thus improving the archery's products. Fiberglass wood as used in modern bow construction are particularly sensitive to moisture.

Every effort is being made to complete the new portion of the building by the middle of July.

## Form Frederic Girl Scout Council

For the first time in the history of the Frederic Girl Scout Council, a new council has been formed in order to have a permanent Girl Scout movement in the community and the surrounding territory.

Three troops are in the process of forming: a Brownie Scout troop for girls between the ages of seven and 10 years old; an Intermediate Scout troop for girls between the ages of 10 and 14 years old; and a Senior Scout troop for girls between the ages of 14 and 18.

The leader of the Brownie troop is Mrs. Paul Henion who is chosen as assistant leader, Mrs. Raymond Brown, Mrs. Carl Johnson and Mrs. E. K. Huddleston.

A Brownie Troop Committee composed of Mrs. Jess Pratt, Mrs. M. Tobin, and Mr. W. J. Smith will assist Mrs. Henion with the planning of the troop.

The Brownie Troop plans to meet at the Frederic School once each week on Thursday from 3:30 to 4:00 o'clock.

Mrs. Leo Post will lead the Intermediate Scout Troop and Mrs. J. Smith, Mrs. Russell Wright, and Mrs. Morden Post will serve as assistants.

The Intermediate Troop Committee that will help with this group of girls is made up of Mrs. May Doyon, Mrs. Albert Madill, and Mr. W. J. Smith.

The Intermediate Troop will meet on each Thursday evening 7:30 at the Frederic School.

As leader of the Senior Troop, Mrs. Arthur Smith will be aided by Mrs. Paul Hamilton, Mrs. Ernest Lozon and Mrs. W. J. Smith.

Mrs. George Lodge, Mrs. Carl Johnson, and Mr. W. J. Smith compose the Senior Troop Committee.

The Senior Troop will hold its meetings on Thursday evenings at the Frederic School at 7:30 o'clock.

Citizens of the community and the surrounding territory who have shown interest in the Girl Scout movement have organized the Girl Scout Council. The officers of the council who were elected at the meeting on May 12th are:

President, Mrs. E. K. Huddleston; Secretary, Mrs. E. K. Huddleston; Treasurer, Mrs. Ernest Lozon; and a position of Program Consultant.

Charter members of the Girl Scout Council who have attended one of the first two meetings of the council are: Mrs. May Doyon, Mrs. Albert Madill, Mrs. Paul Hamilton, Mrs. Ernest Lozon, Mrs. W. J. Smith, Mrs. George Lodge, Mrs. Carl Johnson, and Mr. W. J. Smith.

Mrs. Russell Wright has been elected to serve as Council Historian and will begin the current history of the Frederic Girl Scout movement.

Patrons who have given \$1.00 to finance the Girl Scout movement in Frederic, are: Mrs. May Doyon, Mrs. Albert Madill, Mrs. Paul Hamilton, Mrs. Ernest Lozon, Mrs. W. J. Smith, Mrs. George Lodge, Mrs. Carl Johnson, and Mr. W. J. Smith.

Viola Lazarowicz, daughter of Mr. and Mrs. Stanley Lazarowicz; Pearl Leverton, daughter of Mrs. Maggie Leverton; Jean Lovely, daughter of Mr. and Mrs. Richard Lovely; Robert Luter, son of Rev. and Mrs. Hollie Luter; Derek McEvers, son of Mr. and Mrs. Harry McEvers; Beverly Peterson, daughter of Mr. and Mrs. Charles Barber; Anita SanCartier, daughter of Mr. and Mrs. Floyd SanCartier; Anna Schreiber, daughter of Mr. and Mrs. Albert Schreiber; Bradley Stephan, son of Mr. and Mrs. Alva Stephan; John Stephan, son of Mr. and Mrs. Norval Stephan; Luellen Watkins, daughter of Mr. and Mrs. Coy Watkins; Clyde Weiss, son of Mr. and Mrs. Lyle Weiss; William Williams, daughter of Mr. and Mrs. Arthur Williams; Audrey Wolcott, daughter of Mr. and Mrs. Devere Wolcott; Beverly Wolf, daughter of Mr. and Mrs. George Wolf; Duane Worden, son of Mr. and Mrs. Arthur Worden.

## TO OPEN DENTAL OFFICE IN GRAYLING

Dr. Gerald Gibbons announces that he will open a dental office in Grayling the latter part of May for the general practice of dentistry. He will be located at 111 McClellan Street and comes here from Charlevoix, where he has been for the past seven years.

Doctor Gibbons attended the University of Toronto, Can., and graduated from St. Louis University, St. Louis, Mo. Following his graduation he served as a faculty member of St. Louis University until 1928 when he moved to Detroit, and has practiced in Detroit until coming to Charlevoix.

Doctor Gibbons is a member of the American Dental Association, Detroit District Society and the Delta Sigma Delta Dental fraternity.

Mrs. Gibbons and family have been residing here for some time. There are eight sons and one daughter in the family.

## Kiwanis Club Notes

John Nabring of Traverse City was the speaker at Monday night's meeting of the Kiwanis Club of Grayling. He was introduced by Willard Cornell who was in charge of the program.

Mr. Nabring spoke briefly and then showed a movie entitled, "Take Risks". The movie depicted the history behind fire insurance. It was most graphic in showing how rates are arrived at and what insurance does for American business, the free enterprise system and the American way of life.

Next Monday, the Kiwanians with their wives and guests will meet at the AuSable River Inn for a dinner dance and a talk by Secretary of State Owen J. Pate. About 50 are expected to attend from the Houghton Lake Club and another group from the Gaylord Club. A crowd in all of near 200 is expected to attend the affair.

## Wed In Double Ring Ceremony

Miss Donna Fern Macaulay, daughter of Mr. and Mrs. Angus Macaulay of Grayling became the bride of Duane D. Allen on Friday evening, May 15th, at eight o'clock. She was given in marriage by her father. Duane is the son of Mr. and Mrs. Russell C. Allen of this city. Rev. R. C. Puffer officiated at the double ring ceremony at the home of the bride's parents. Thirty guests were present.

The bride was attired in white and wore a corsage fashioned of red roses. She was attended by her sister, Miss Beverly Macaulay of Grand Rapids who wore a blue suit and pink and white carnation corsage. Don Flets of Grand Rapids was best man.

Mrs. Macaulay wore a blue suit for her daughter's wedding and Mrs. Allen wore grey. Each wore corsages of white gardenias.

A reception was held following the ceremony at the home of the bride's parents.

The bride attended Grayling High School and the groom was a member of the 1947 graduation class of Ithaca High School and also attended Banking School in Grand Rapids.

Here for the wedding from out of town were Miss Ann Fox and Mr. and Mrs. Bruce Macaulay of Standish, and Mr. and Mrs. Frank Banday of family and James Macaulay of Bay City.

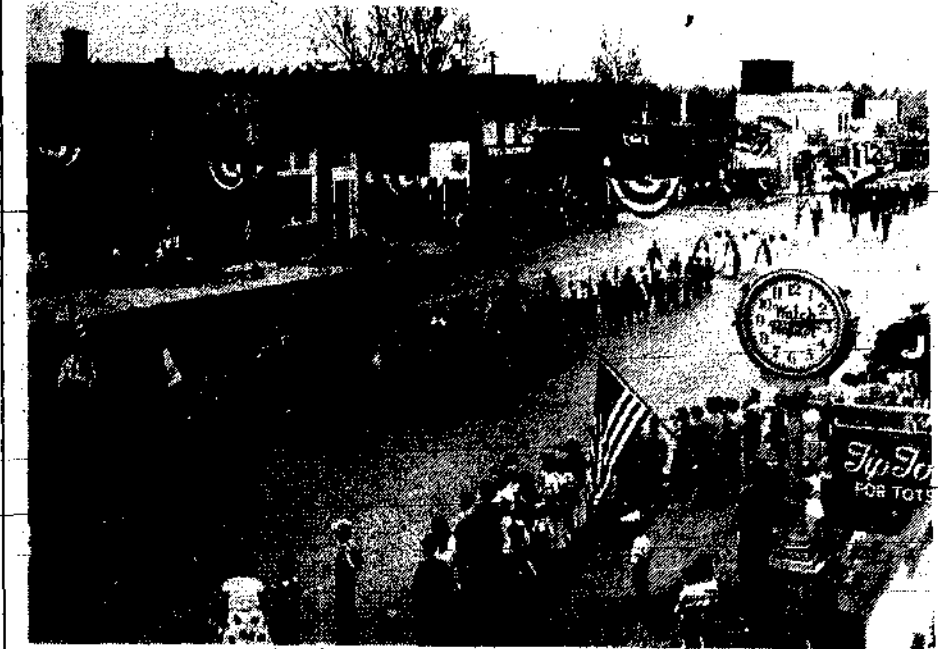

The newlyweds are making their home in Alma, Michigan.

## Engle - Stephan Place In Petoskey Race

Ted Engle of Gaylord and Jay Stephan of Grayling placed second in the Bear River Canoe Race from Wallon Lake to Petoskey last Sunday behind Eugene Roy and Ralph Sawyer of Osceola who paddled to the victory in two hours and 31 minutes.

The winners took a \$150 prize. Bernie Fowler and Don Feldhauser of Grayling were third with Jack Sawyer and Jim Sundburgh of Cadillac taking fourth.

## Final Plans For Alumni Banquet

A group meeting of committee members and officers of the Alumni Association was held at the high school Tuesday night. Final plans were made for the Second Alumni Banquet.

Registration will be under the direction of Mrs. Robert Boyce. Dues will be collected as you register. Many who cannot attend the banquet this year have already mailed in their dues for the coming year.

Food service will begin at 7 p. m. and will continue cafeteria style until everyone has eaten.

The High School Glee Club has consented to be on our program for this year. Under the direction of Mrs. Roy Milnes, this group received a very high rating at State competition and we feel fortunate to have them be with us.

Remember, this is the last week to obtain tickets. Saturday, May 23 is the deadline. Get your tickets today and be sure you will be with us.

## Couple Celebrate Silver Anniversary

Mr. and Mrs. Alfred Hanson celebrated their Silver Wedding anniversary Saturday, May 16, and held "open house" Saturday afternoon and evening and also on Sunday, when they were surrounded by relatives and a host of friends who called to extend congratulations and best wishes.

Lunch was served buffet style with a lovely 4-tiered anniversary cake, the gift of Mr. and Mrs. Ollie Jankovick, gracing the table. The cake was all white, decorated in silver, with an ornament on top denoting the year "25th". Guarding it were silver candlesticks holding white tapers. Assisting Mrs. Hanson were Mrs. Jankovick and Mrs. Robert LaMotte. Mrs. Raas was Mrs. Hanson's bridesmaid at her wedding. Many gifts in silver and a profusion of greetings were received by the couple, among which were greetings from relatives in Denmark.

Mrs. Hanson who was the former Anna Peterson was born in Grayling and Mr. Hanson in Denmark, he coming to Grayling in 1906. Their marriage was solemnized in Grayling on May 16, 1928 by Rev. F. J. Kjolhede, pastor of the Danish Evangelical Lutheran Church.

Mr. and Mrs. Hanson are among Grayling's best known and most estimable citizens, and are wished many more happy years together.

Guests at the festivities from out of town were Mr. and Mrs. Viggo Mikkelsen and Mr. and Mrs. Norman Mikkelsen of Detroit.

## Grayling Boy Scout Troop 77 and Cub Pack 77 pass in the First Annual Grayling Masonic Jamboree Parade held Saturday. Back of the Scouts are the Job's Daughters contingent from Roscommon while just crossing US-27 in the line of march in the Knights Templar of Highland Park.

The First Annual Grayling Spring Masonic Jamboree concluded here Sunday following a successful three-day program.

Eighty Masons, including the Grand Master of the Grand Lodge of Michigan, French C. Shell, Kalkaska, and the Senior Grand Deacon of the Grand Lodge, of Detroit, registered for the Jamboree. Registration started the program of events on Friday evening.

## Poppy Sale In Full Swing

The annual Poppy sale being sponsored by the American Legion Auxiliary is in full swing at the present time. The sale began Monday and will continue throughout the remainder of this month. Members of the Auxiliary will call upon you, so give as generously as you can. The money derived from this sale is used in doing welfare work among veterans and their families; should emergencies arise and of course the poppies are handmade by hospitalized veterans so your purchase helps in more ways than one.

Mrs. Else Rasmussen is chairman of the poppy sale.

## TWO VIKINGS TO STATE TRACK MEET

Two Grayling High Tracksters will take part in the State High School Track Meet at East Lansing this week and after qualifying at the Regional meet at Cadillac last Saturday.

Accompanied by Grayling Coach Bruce Smith, Ronnie Larson and Richard "Red" Hamilton will leave Friday night for East Lansing to participate. Larson will take part in the pole vault and in the quarter mile dash while Hamilton will be entered in the high jump. Eight men from Grayling track team went to Cadillac for the Regional meet but only these two qualified.

On Tuesday night of this week, Coach Smith took six men to the Northern Michigan Relays at Petoskey where Hamilton was entered in the high hurdles and high jump, Del Joslyn in the 100 yard dash and Jim Burch, Dale Pettengill, Lloyd Failing and Larson as a mile relay team. Both Failing and Larson were also entered in the pole vault.

Tom Gibbons of Charlevoix, son of Dr. and Mrs. Gerald Gibbons who are now making their home here, qualified in the medley and 880 yard relays at Cadillac and will go to the State Meet. Gibbons will be a Grayling High School student next year and should add plenty of strength to the Grayling track team. The Vikings should be much stronger in track for the next two seasons.

Although they had good individual performers this year, they didn't have the team strength to garner points in second, third and fourth places. This is evident by the fact that of 14 events in the Conference track meet, Grayling took six firsts but without the added team points could not win the meet.

## County School District Officers Hold Meeting

Wednesday evening of last week a meeting was held at the Fieldhouse school of all school officers of the various school districts in the county. County Superintendent Willard Cornell was in charge. Highlighting the meeting was a sumptuous dinner served by the P. T. A. of the school, which is Grayling School District No. 3. Guest speaker for the evening was Mr. Earl Miller of the Department of Public Instruction of Lansing, who spoke on "Area Studies."

Wives of visiting Masons were taken on a sightseeing tour of Grayling at 10 o'clock Saturday morning. The tour included visits at the Grayling fish hatchery, Bear Archery Co., Hartwick Pine State Park, Camp Grayling and a tour of the city itself.

On Saturday afternoon at 3 o'clock the Masonic Jamboree parade formed at the Grayling High School, moved down Norway street to Michigan avenue, proceeded down Michigan avenue to the City Park where the Knights Templar of Highland Park put on an exhibition drill. Taking part in the parade were Knights Templar of Highland Park, Shriner from Grayling and the surrounding area; local and visiting Masons, the Grayling High School band under the leadership of LeRoy Christian, Grayling Boy Scout Troop 77, Grayling Cub Scout Pack 77, Job's Daughters from Roscommon, and a group of horsemen.

The Jamboree dinner, which was attended by 200 guests, was staged at the Masonic Temple Saturday evening from 5:30 to 8:30 o'clock. The dinner, served by members of the O.E.S. of Grayling, was chairmanned by Mrs. William Jensen, Mrs. Clarence Roberts and Mrs. Thomas Haugh.

Following the dinner, Masons left for the school gymnasium where the Master Mason's degree was conferred on Lewis R. Sullivan, of Grayling. Officers of the Wayne county lodge, E. and A. M. put on the first section of the work and the University Lodge No. 482, F. and A. M. of Detroit put on the second section.

Following the work at the school gymnasium the Masons, their wives and guests attended a dance at the Camp Grayling Officers Club. A good crowd was in attendance at the dance.

Sunday morning Knights Templar attended services at the Michelson Memorial Church in uniform, along with other visiting Masons, their wives and visitors. Masons attended from Roscommon, West Branch, Detroit, Livonia, Dearborn, Bay City, Beaverton, Royal Oak, Plymouth, Highland Park, Romeo, Moline, Ill., Lewistown, Houghton Lake, Dewitt, Acme, Traverse City, Lake City, Commerce, Kalkaska, Ferndale and Hazel Park.

## FORMER RESIDENT PASSED AWAY

Sam Stevenson, age 55, a former well known resident of Grayling, passed away at General Hospital in Alpena at 12:30 o'clock on May 10th, following a several weeks illness. Military funeral services were held Tuesday afternoon, May 12th at the Bannan Funeral Home, the Rev. Nicholas Lettrock of the Seventh Day Adventist Church officiating. Interment was in Evergreen Cemetery in Alpena.

Sam and his family were residents of Grayling for about nine years, when he was employed at the Alfred Hanson Garage. He had been forced to give up his employment at the garage because of ill health and was a patient for 15 years at Northern Michigan Tuberculosis Sanatorium at Gaylord. Most of his life was spent in Alpena, where he returned after leaving the sanatorium. A veteran of World War I, he served in the U. S. Navy for one year. He was a member of Grayling American Legion Post No. 106 and during his residence here was one of its most active members and played in the drum and bugle corps.

Surviving the deceased besides his widow are two daughters, Mrs. Kenneth Clapp and Mrs. Lawrence Kiet of Grand Rapids, a son, Allan, of Alpena, a brother, M. L. of Long Lake and four grandchildren.

## Bowling Building Work Continues

Further construction on the building to house the Community Bowling Alleys went on last Sunday as about 30 men came over to donate their time.

Among those working last Sunday were James Reimer, Duane Wainwright, Don Brown, Robert

Nelson, A. J. Nelson, Al Moore, Leon Isenbauer, Robert Sorenson, Clement Blaine, James Post, Emil Tahvonen, Art Parkinson, Art Worden, Bill LaChapelle, Wilbert Simpson, Jack Mikkilinen, Ross Thompson, LeRoy Christian, Leo Jorgenson, Dave Cook, Louis Sellaway, Schuyler Gibson, Lyle Long, Batch Anderson, Homer King, Carl Nielsen Sr., Carl Nielsen Jr., and Delbert Case.

Members of the Building Committee of the Grayling Legion Post wish to thank the men who donated their time Sunday and also to announce that next Sunday more cement work and block laying is planned and anyone wishing to help will be more than welcomed. Those laying blocks will be given tenders to see that they have a supply of blocks and mortar on hand at all times.

Building committee spokesmen said today that the building should start taking shape rather rapidly in the near future as three steady employees have been hired to continue the work through the week. Foundations and all footings should be poured and completed by this week end, with wall construction going on from then which should make the building seem to shape up faster.

## School Plans Pre-Kindergarten Enrollment

Friday, May 29 has been set aside for parents to enroll beginning students in the Kindergarten for the fall of 1953.

Parents who have children who will be 5 years old by Nov. 1, 1953 are asked to bring them to the High School between the hours of 9 and 12 and 1 and 4 where Mrs. Smyth will be waiting on Friday, May 29.

Health records and any other information that will aid the school in helping the beginning pupils should be brought as such information is made part of the students accumulative school record.

## MERCY HOSPITAL NEWS

Among the patients at Mercy Hospital are Danny King, George Petrucha, Bert Plagens, Gary Quinn and Nancy Williams of Grayling.

Wanda Sterling, Ronald Hosmer, Glenn Ewalt, Sara Smith and Fred Ingalls were dismissed from Mercy Hospital during the past week.

A son was born to Rev. and Mrs. Don Cleveland at Mercy Hospital on May 16th.

## Red Cross Workers Enjoy "Victory" Dinner - Meeting

A "Victory" supper for the workers on the recent successful Red Cross Drive was held in the Legion Hall basement Monday evening.

Mrs. C. G. Clippert, county chairman, was in charge of the meeting which followed. She commended all for their splendid work in the fund drive and presented merit awards to Mrs. George Quinn, drive chairman and Mrs. Leo Jorgenson, county Red Cross secretary and treasurer. Mrs. Quinn presented awards to her workers.

Mrs. Jorgenson's contribution to Red Cross usually goes unnoticed as her job is the unspectacular kind, that of making countless reports and keeping the books in order. As in any businesslike venture, accurate accounts must be kept and each local Red Cross chapter must account to National Headquarters for all donations received and each expenditure.

Mrs. Jorgenson spends minutes of previous meetings and gave a financial report. She also explained the Red Cross Loan Closet. It

does not seem possible that there are still those who do not know of this service sponsored by the Chapter in this county. In the loan closet for those who need them are wheel chairs, hospital beds and other equipment necessary for the care of bed patients. These are gladly loaned for the asking.

Miss May Jordon of St. Louis, Mo., District Red Cross Representative, was present at the meeting. An open discussion was held at which she answered questions asked some of the workers during the drive. To cite a few: One ex-serviceman did not approve of Red Cross because he had been charged for a cup of coffee at the Red Cross canteen during World War II. Miss Jordon explained that the Red Cross operated canteens in foreign countries during the war and were asked by the military to charge a small fee for their services. However at no time was a profit made. The reason given by the military for their request was that foreign countries do not have

a Red Cross and a free handout to Americans stationed in their countries would be bad for the moral of the native soldier. The Red Cross has since refused to operate on this basis.

Other would be donors wondered how they could be sure their donation arrived at its proper destination. Miss Jordon pointed out that National Red Cross books are audited by the War Department and double checked by a private auditing concern. Local chapters are required to furnish reports each month and are asked for additional reports from time to time as a double check. Spot audits are made of local chapters and the chapter chairman may be the ones to be checked. Fund drive workers are responsible to their chairman.

One worker was told the Red Cross doesn't do anything. One can not read a newspaper or listen to a radio for any length of time and not hear of the good deeds done by Red Cross in any domestic disaster and on the

battle fronts. And right in this county it is at work too. During the past 11 months, Red Cross Home Service, under the supervision of its chairman, Mrs. J. L. Martin, has taken care of over 50 cases called for Red Cross help and expended \$22.29 on this need.

Most of these cases involved servicemen or their families. That is over one call a week. One call of deed does not always take care of an individual problem. It frequently takes several calls. Another service of the county Red Cross Chapter is production, chairmanned by Mrs. Minnie Hartley. During the past year seven complete layettes and 13 pairs of mittens were given to those in need. If Red Cross accomplished no more than Home Service it is doing something.

Miss Jordon also told of the "life saving" job done by Red Cross with its blood plasma program, especially at the fighting front. Many a serviceman owes his life to this service. Plasma keeps the gap until whole blood

## Fish Food Experiments

Conservation department fish men are running a series of tests to determine the best and most economical food to use in state fish hatcheries. These dietary experiments are being carried on at Oden, Marquette and Hastings hatcheries. Careful record of weight changes and development of fish are kept as the experiments progress. Ed Grassl, fish biologist, here weighs a tub of fingerling trout being fed a diet of dried food prepared in pellet form.

## THE ONLY PROTECTION AGAINST WIND DAMAGE

AGAINST most of the common hazards of life we can at least exert some elementary precautions. But wind is a frightening foe. There is so little you can do to protect your property.

There are, in this country, an average of 140 destructive WINDSTORMS annually. No section of the country is immune. So you cannot be sure that YOUR buildings are on "the safe side." Even structures of wind-resistant construction, such as brick, concrete or steel, may suffer heavy damage when they are so unfortunate as to lie in the path of a violent tornado.

BUT—and this is important to remember—you need not meet a tornado, or even a cyclone, to sustain sizeable damage. There are lots of little winds that can throw you for a big loss.

SO, the only really safe course—the course that will give you a feeling of secure satisfaction—is to have ADEQUATE WINDSTORM PROTECTION. THE COST? So little it is sure to prove a pleasant surprise. Especially is that true when you pause to reflect on the possible cost of not having WIND PROTECTION.

BE SAFE, and insure with us; the oldest and largest company of its kind in Michigan, and the second largest of its kind in the World.

## PTA Gets Stung by a "Bee"

The local PTA is feeling sheepish today. Seems they complained the youngsters weren't learning enough. Said they couldn't even spell. So the kids challenged them to a spelling bee.

"I was captain of the PTA team," "Doc" Brown told me. "Both teams made the first round just fine. But on the second round Speedy Taylor went down on 'efficiency.' Then his boy Chip, who happened to be next on the school team, rattled it right off. From then on it was murder!"

So now "Doc" says that the

whole PTA is thinking of signing up for night school!

From where I sit, it always pays to look and think before you leap to conclusions. Take those folks who would deny me a temperate glass of beer without a moment's thought. They wouldn't want me to interfere with their personal preferences for, say, buttermilk. It's a good idea to think twice before you "spill out" rules for your neighbor.

## Spring Change-Over, British Style

"Great Britain's socialist government has taken the wraps off gasoline service stations, after thirteen years of operation under bureaucratic regulation.

"The 'service' station, as we know it in the capitalist United States, disappeared in England when the socialists took over.

"As a result, many dealers charged for checking tires. Drivers had to clean their own windshields, and wait according to Thomas F. Brady, correspondent of the New York Times, 'for a grudging attendant to detach himself from a cup of tea in the back room to pour a few gallons of petrol into their tanks at 48 cents a gallon.

"Today, the sweet uses of competition have once again put the customer in the driver's seat. The customer is the most important person is the slogan of the training courses which competitors were quick to provide. Ironically, the training of dealers includes films of American service station operations showing how it is done—in a capitalist country.

"This change-over to competitive selling received as much attention in the House of Commons as if steel, coal and banking had been restored to private operation.

"In our eagerness here to ask Washington to take on more and more of our business activities, we forget that the consumer ultimately pays. He pays in higher taxes, he pays in loss of attention and services.

"When you take the individual incentive out of any job and pass it on to the desks of public office holders, it becomes a routine, lifeless and costly activity.

"Individual reward for individual merit has made this country what it is today." — Condensed from the magazine "Service."

## **Mio Seniors Hosts At Senior Government Day**

Wednesday, May 13, Mio High School Seniors were hosts for a Senior Government Day. Approximately 150 seniors from Grayling, Frederic, Roscommon, Fairview and Mio met with various officials of the state, district county, township and town levels. In a typical New England town meeting they solved problems of interest to them in a question-answer procedure—the questions coming from the students this time.

A general town meeting convened in the Community Building where every delegate became acquainted in a friendly democratic spirit. Mr. Lawrence H. Taylor, Director of Extended Services, Hillsdale College was in charge of this meeting. Officials representing five divisions of our government agencies formed a panel group to answer questions which seniors would like to ask them, getting good, clear-cut answers. At 1 P. M. the seniors and their

is building a fine residence on it.

George F. Owen and Joe Slms of Lovells have bought a stump puller, so goodbye to the stumps now.

## **Take the wheel**

**and a new world is yours**

Wire wheel covers,  
as illustrated, available at extra cost.

Two things stand out above all others in this Golden Anniversary ROADMASTER.

It is the most beautiful Buick Riviera ever built.

It is the most brilliant Buick performer in fifty great years.

The first of these is an obvious truth that you learn at initial sight of this automobile's sweeping lines, its gracious styling, its stunning interior fashioning.

The second is one you discover when motion begins and the wonderful new experience unfolds.

You soar from standstill to legal speed as you never have before—for Twin-Turbine Dynaflo gives you getaway with a combined swiftness, silence and smoothness no other car in the world can equal.

You command the highest, the silkiest, the

most instantly responsive power in all Buick history—from the world's newest and most advanced V8 engine—the first Fireball V8.

You ride with the gentle, constantly level cushioning of coil springing at all four wheels. You guide your two-ton automobile with the exquisite ease of Power Steering. You slow or halt with the velvety control of still finer braking—plus the extra comfort of Power Brakes\* if you wish.

Surely, this rich new world of motoring magnificence is one you should explore—if only to know that it's real, and more easily reachable than you may think.

We'll be happy to seat you at the wheel of this superb new ROADMASTER—and let your emotions and good sense judge its greatness. Won't you visit us this week?

\*Optional at extra cost.

**Letters To The Editor**

Why a Chamber of Commerce? Are we an up and coming little community? Are we Progressive, civic minded citizens?

Let us pause a moment and think—Can we answer quickly in the affirmative? No, we must hang our heads in shame. Why this deplorable condition?

For years outsiders have been asking us, "What is wrong with Grayling?" At first we tried to give them the answer. We said that some unkind individual had started a bad propaganda campaign. It had grown and spread, but there was nothing to it. We just closed our eyes to the facts and refused to see it. Then we just very bravely said, "Why there is nothing wrong with Grayling. It is just a mistaken idea that people have."

But, were we telling the truth or did we just not realize what was happening. Are we so smug and contented that we just can't see the thing as a whole.

After some of the talk died down, we thought that we were doing fine. But are we? Do we have a Chamber of Commerce? Do we have a paid secretary with our Chamber of Commerce? What are you doing to promote Grayling?

When outsiders become alarmed and upset it is time for us to wake up. What do they care about Grayling? Is it just idle curiosity? No, it is because their hearts are here, and they hate to see a beautiful, thriving little city like Grayling just dying on the vine. They are more than willing to pitch in and help us, if there is anything at all that they can do. But isn't it up to us. Isn't it our town. What are we going to do about it?

What happened twenty-five years ago or better, before we had a city form of government, and a Chamber of Commerce? They had a Grayling Board of Trade, and they were active. They met regularly and they got things done. The old-timers our forefathers had less education and less opportunity than we have, but they produced.

What is wrong with the present generation? Do we have to take a back seat for our forefathers? Let us be honest and think. Is that the trouble? Maybe we don't think as much as the old folks did. It is through dreamers weaving their dreams that the world progresses. Have we no vision? Just look about you.

Why do hundreds of wonderful people come to Grayling every year at every opportunity and always hate to go home. Have we nothing to offer. We have everything. Look at the wonderful natural resources with which we are endowed. When they ask us why Grayling has such charm, we just tell them that this is God's country. It is indeed, but what are we doing with it. Look at the lakes and the streams, the hills and slopes, the trees and the game. It is all here.

People love to spend their time and money to come here, but they want to be proud of Grayling too. They don't want to be ashamed of it.

What are we going to do about it? Can't we organize a Chamber of Commerce? Can't we hire a paid secretary? We pay a city manager, why not a secretary. It would pay off in dollars and cents. It would pay off in our own self respect and the esteem of others.

We have a number of fine, energetic young people who are raring to go. Let's give them a chance. We have no Chamber of Commerce because no one feels they can afford the time to put into it. If a paid secretary is the answer—then let's have a paid secretary.

Do we want outsiders who are in the know, who are important people in the state to keep asking, "What is wrong with Grayling?" We can not expect help and cooperation from outsiders, unless we help ourselves. When are we going to put our shoulders to the wheel and start working together? Together we stand, divided we fall. Are we going to fall by the wayside? In unity there is strength. Let us stand together.

## 161 In County Draw Social Security

Social security payments totaling \$8,742 went to 161 people in Crawford County in December, 1952, according to William E. LaRock, manager of the Traverse City social security office.

The men and women 65 or over who had worked long enough to qualify for old-age insurance benefits made up the largest group of beneficiaries and received larger amounts than dependents and survivors. Numbering 95, they received \$4,748 for the month, an average of \$49.97. Most of them were from 65 to 74 and received payments after meeting the test of retirement given in the law; those 75 or over could receive payments even though they were still working.

In the smaller groups, 16 aged widows and dependent widowers received \$800 and 18 wives and dependent husbands received \$412. A few dependent parents are also receiving benefits.

Not all of the Crawford County people entitled to payments were 65 or older. Monthly checks went to 32 mothers and children—some of them dependents of retired men, but most of them survivors of those who had died. The payments to 6 mothers amounted to \$213 in December, and 26 children received \$759.

Changes made by the 1950 and 1952 amendments to the Social Security Act accounted for a considerable part of the increases, both in the number of people receiving benefits and in the amounts of their payments. In 1950 the law was changed to include millions of people not covered before, and to make it easier for them to qualify for payments. Among those newly-covered were self-employed people and regularly employed household and farm workers.

The 1952 changes, effective in September, raised the amounts of practically all benefits, gave social security credits for military service after the end of World War II, and provided that a person can be considered "retired" even though he is earning as much as \$75 a month.

In the Nation at the end of December, monthly payments amounting to \$205,179,000 were being made to over 5,000,000 people. Among them, according to Mr. LaRock, were 2 out of 5 of the retired aged. About 60% of civilian jobs are covered by the law; 4 out of 5 of the mothers and children in the country can count on monthly survivors insurance payments in case of the death of the family bread-winner, Mr. LaRock emphasized.

Money to pay social security benefits comes from the social security taxes paid by employees, employers, and self-employed people, on earnings up to \$3,600 a year. The tax is now 1 1/2% each for employer and employee, and 2 1/2% for self-employed people. Under the law, the rates are scheduled to increase to 2% each for employer and employee, and 3% for self-employed people on January 1, 1954.

## School Forest Project Nearing Completion

The 10th grade Shop Class have completed cutting six cords of jackpine pulpwood from the school forest located east of the fish hatchery. Boys who worked on the project were Monte Malonen, Bill Isenbauer, Dale Rohde, Bob Barnett, Richard Hamilton, Keith Johnston, Bob LaMotte, James Bishaw, Donald Denton and Pete Stephan.

The eighth and ninth grades Shop Classes are working on improving the picnic area and are clearing a space which will be used as a softball diamond.

A well is to be driven for water in the picnic area also. The area may be used by students and adults. It is hoped that all who make use of the area will be careful to put out their fire and leave the area in a clean condition.

## Chevrolet trucks must be the best buy!

This year—for the 12th straight production year—truck users are buying more Chevrolet trucks than any other make. That couldn't be true unless Chevrolet trucks offered more of what you want.

Already, 1953's official sales figures tell a remarkable story of clear-cut and decisive preference for Chevrolet trucks. But, this is not surprising, for truck users everywhere are discovering how far ahead of all others Chevrolet trucks really are.

They are discovering things like the tremendous new power in advanced Loadmaster engines in heavy-duty models... the remarkable gasoline economy... the extra ruggedness and strength of heavier, more rigid frame construction. And, in addition to all these advantages, the Chevrolet line lists for less than any other trucks of comparable size and capacity. So, before you buy any truck, stop in and see us.

by Gothro that:

Be It Resolved, that,

Whereas, heretofore the City of  
Grayling, Michigan entered into a  
contract with the Nordberg Manu-  
facturing Company, for furnishing  
and installing One (1) Nordberg,  
Type PS-136-HS, C. Diesel-Elec-  
tric Generating Set, complete with  
all auxiliaries and accessory  
equipment, rated 12000 HP at 450  
RPM with direct connected 800  
KW Alternator and V-Belt driven  
Exciter, said equipment was pur-  
chased pursuant to authorization  
by Resolution of this Council  
adopted June 30, 1952, under Con-  
tract between the City of Grayling  
and Nordberg Manufacturing Com-  
pany effected by proposal No.  
MIL-52-27, dated May 20, 1952,  
accepted and agreed to by the City  
under date of June 30, 1952 and  
further approved by Nordberg  
Manufacturing Company July 15,  
1952 and Amendment thereto  
dated April 27, 1953 striking out  
certain provisions; and adding  
other provisions; andWhereas, the delivery and in-  
stallation of said generating unit  
with said accessories and auxil-laries thereto, has proceeded in  
full conformity with said contract,  
and all obligations of Nordberg  
Manufacturing Company set forth  
in said contract, have been met  
and performed in full to date, all  
as is said contract provided; and  
Whereas, pursuant to said con-  
tract the City is now or hereafter  
will become obligated to pay to  
Nordberg Manufacturing Company  
from time to time as provided for  
in said contract an aggregate  
amount of approximately \$118,-  
000.00 for work and materials fur-  
nished by it; andWHEREAS, said contract, as  
amended, provides that the City  
of Grayling, Michigan, may at its  
option pay said sums in cash or  
may defer said payments by deliv-  
ery to Nordberg Manufacturing  
Company, revenue certificates  
bearing interest and maturing as in  
said contract more specifically set  
forth; and in order to discharge its  
covenants and agreements under  
and pursuant to said contract  
dated May 20, 1952, accepted and  
agreed to by the City of Grayling  
under the date of June 30, 1952  
and further approved by Nordberg  
Manufacturing Company July 15,  
1952 and amendment thereto dated  
April 27, 1953, it is necessary, ap-  
propriate and advisable that the  
City of Grayling, Michigan issue  
and deliver to Nordberg Manu-  
facturing Company revenue cer-  
tificates in the principal sum of  
\$118,000.00; and said City of  
Grayling has authority and power  
under the laws of the State of  
Michigan and under its City Char-  
ter, and ordinances, resolutions  
and other appropriate proceedings  
of its City Council to issue and de-  
liver the same;Now, Therefore, Be It Resolved  
That:1. Performance by Nordberg  
Manufacturing Company of all the  
duties and obligations required by  
it to be performed to entitle it to  
receive payment under the terms  
and conditions of the said contract

## Aim To Reduce Head-on Collisions

Sheriff John A. Papendick today announced that his department is cooperating with the State Safety Commission in a safety program aimed at reducing traffic accidents due to dangerous passing. This program is under the leadership of Charles M. Ziegler, State Highway Commissioner and Chairman of the Commission.

According to Sheriff Papendick, head-on collisions caused by dangerous passing are one of the most fatal types of traffic accidents. "The next time you drive by a wrecked car junkyard, look for a car that has the whole front end caved in and the windshield smashed to bits. This should be sufficient evidence for anyone as to what happens when you hit another car head-on," he said.

"Keep in Lane — Don't be a Road Hog", the official slogan of the campaign, is good advice for all motorists to follow.

"Cutting in on the driver you are passing is one of the dirtiest tricks one motorist can pull on another," the Sheriff added; "you may force him into the ditch or cause him to stop too suddenly and be hit by a surprised driver behind him."

"The professional driver never cuts in on the car he is passing. He waits until he can see this car in his rear vision mirror before he turns right to get back into the righthand lane. In this way, he knows he will not interfere with the car he is passing."

Sheriff Papendick stated that he is instructing his men to pay particular attention to dangerous passing and to stop all violators. "After all of the information motorists receive through the educational campaign of newspapers, radio stations, and posters, there is no excuse for a motorist to pass dangerously," he concluded.

## Michelson Memorial Church School

Award pins for perfect attendance through the month of April were distributed in the Primary Department to Annie Akers, John Engle, Robert Fenton, Linda Gothro, Nancy Thompson, and Priscilla Fetters, all in the first grade; to George Akers, Donna Fenton, Carol Gross, Caroline Halstead, Caroline Millikin and Jimmy Olson, second grade; and to Karen Atkinson, Karen Gothro, Charlotte Hunter, Billy Mosbier, Cheryl Pond and Gary Russell, third grade.

Belle Allison has had her tonsils removed. Kathy Forbes has also been a hospital patient. Several others who have been absent for a variety of reasons were back in their classes Sunday.

Miss Patty Thompson substituted in the seventh grade and the other members of the Senior Department visited the Ninth Grade to see a film strip depicting the life and work of Albert Schweitzer.

## RED CROSS DINNER

(Continued from Page 1)

is available. Even though this blood is donated, the cost of obtaining it, processing it for plasma, bottling and shipping it where it is needed is not a minor one. Part of a Red Cross donation goes to pay for this project. In connection with this, a blood program will be sponsored in Crawford County in August.

Another Red Cross service is delivering important messages to men at the fighting front. It was also brought out in the discussion that one local serviceman, serving in New Guinea, though only 1 mile from a Red Cross station, was not notified of a death in the family. Miss Jordan said she could not give the reason for this failure not knowing the exact circumstances. However she said that during World War II Red Cross ranks were swelled from 4,000 to 24,000 workers. Red Cross workers did not receive draft deferments and in 24,000 workers obtained in a hurry, one is very apt to find a few not so efficient. However it is not fair to condemn an entire organization because of one individual.

Miss Jordan also brought up the fact that Red Cross will pay the way of an interested person to First Aid School. In turn this person must return and give lessons to others. This is a very worthy project and it is a rare home that hasn't the need for first aid treatment at one time or another.

Preceding the open discussion a business meeting was held. Officers for the coming year were re-elected unanimously. Mrs. Clippert, chairman; Mrs. George Griffith, first vice chairman and Mrs. Jorgenson, secretary and treasurer.

Serving on committee for the very enjoyable dinner were Mrs. William Johnson, Mrs. Robert Horsell, Mrs. Schuyler Gibson, Mrs. Charles Tinker and Mrs. Tracy Nelson.
